The 6th annual meeting of Regional Jobs Initiative, *Staying Ahead of the Curve*, is expected to bring together over 300 local business executives, public and community leaders throughout the Fresno region.

Fresno County Supervisor **Judy Case** and CAO **John Navarrette** will be presenting on our region's economy and new opportunities for the future of the Fresno Area.

Businesses need to know *how* to obtain financing during these tough economic times and *how* to take advantage of the unique opportunities currently available. The financial panel will be addressing the numerous opportunities available in our region, including:
