CIO/Supply Chain Forum

The 12th Logistics CIO Forum and co-located Supply Chain Technology Forum

Hilton Magnificent Mile in Chicago
April 8-9, 2010.

A few of the confirmed speakers are:

Jackie Barretta – CIO – Conway Freight
Steve Hannah – CIO – CRST International
Scott Sullivan – CIO – Pitt Ohio Express

CIOs, VPs of IT and senior IT executives from transportation & logistics providers as well as senior Supply Chain Executives from Fortune 1000 firms can attend the Logistics CIO and Supply Chain Technology Forums at **no cost** - even one night's accommodation will be included! Simply register online [here](#).

Others can purchase a value end user pass online for just \$595 (usually worth \$2500) – simply follow the link [here](#).

With a special focus on the business needs of CIOs within the transportation and logistics industry, and Supply Chain Executives from Fortune 1000 shippers, and how to leverage technology to improve efficiency and decrease costs during economic recovery, the agenda is centered upon providing you with a wealth of industry knowledge and proven case study evidence that you can instantaneously put to work in your business model.

For more information visit the [website](#).

International Facility Management Association (IFMA)

IFMA promotes the facility management profession through education, credentialing, government relations, leadership opportunities, publishing, recognizing excellence, research and standards development.
