# INTERNATIONAL FACILITY MANAGEMENT ASSOCIATION

PROFESSIONAL DEVELOPMENT

## WHAT IS IFMA?

Formed in 1980, IFMA is the world's largest and most widely recognized international association for professional facility managers, supporting more than 19,000 members in 60 countries. The association's members, represented in 125 chapters and 15 councils worldwide, manage more than 37 billion sq. ft. of property and annually purchase more than \$100 billion in products and services. In support of its members, IFMA promotes the facility management profession through education, credentialing, government relations, leadership opportunities, publishing, recognizing excellence, research and standards development.

### IFMA is...

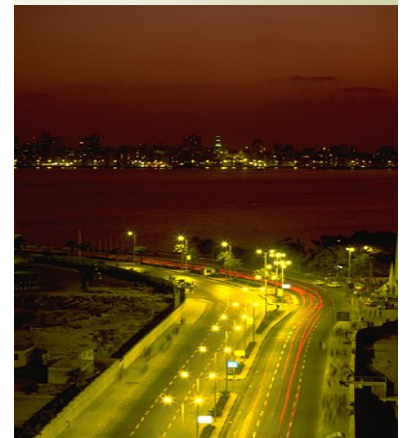

- The name facility professionals trust for their career development and networking needs.
- The recognized leader in facility management education, providing life-long learning opportunities and professional credentialing.
- Your best choice for industry news, career development resources, and local and international networking.
- The leading authority on facility management, based on the association's thorough understanding of the facility management community's professional needs.
