Business Prosperity ■ Community ■ Fresno County

Who We Are

For over 30 years, Fresno County Economic Development Corporation has been building relationships throughout Central Valley, the nation, and the world. With a knowledgeable staff, influential board, and strong network of committed investors we are able to attract, expand, and retain business in Fresno County, and grow the California dream. We are excited for you to become an important part of economic development!

Be a part of Economic Development

- ✓ Grow your business and take advantage of regional incentives
- ✓ Promote job creation and reduce unemployment
- ✓ Make Fresno County the place where businesses arrive and thrive

OUR NETWORK

We promote Fresno County deliberately through our strategic partnerships to an audience that extends from Fresno County to the nation and beyond.

Development Council

By partnering with EDC, you are helping shape the future of Fresno County. With investment from more than 100 companies, public agencies and private organizations, EDC is able to provide direct services to help companies grow and lead initiatives to enhance the region's competitiveness. In turn, we provide EDC investors with a variety of information, opportunities, access and support.

Events

Hosted throughout the year, our events feature some of the region's most prominent businesses, community leaders, and brokers. They prove valuable hubs for networking.
